

Crowfoot Arena COVID-19 Guidelines for Users

The Crowfoot Minor Hockey Association and Arena has implemented the following COVID-19 policies for all facility booking representatives and guests to adhere to while utilizing the Crowfoot Arena. These Guidelines are subject to change at any time at our discretion.

Upon signing the rental agreement, you are releasing the Crowfoot Minor Hockey Association and Arena Board of Directors and its employees from any liability due to COVID-19. Responsibility falls upon each person who enters the facility. All patrons who wish to enter the Crowfoot Arena during the declared pandemic have the understanding of the increased risk of COVID-19. **You will enter our building at your own risk.** We EXPECT that all booking representatives will communicate this information to anyone entering the building as part of their rental agreement for review. Crowfoot Arena has implemented the policies recommended by Alberta Health Services (AHS) to maintain safe operations booking durations have been reduced to allow our staff to disinfect as per the COVID-19 guidelines.

As a requirement all bookings representatives are required to return a signed copy of the rental agreement and payment is due via e-transfer to cfarena@shaw.ca upon receipt. As the demand for bookings has substantially increased no changes or alterations to the user agreement will be permitted. All user agreements/permits will be invoiced monthly to avoid unforeseen government facility closures. No cancellation refunds will be granted to any authorized (signed) user agreements.

Each team must have a Team Representative at every ice time who is responsible for ensuring all COVID-19 Guidelines are followed. REPRESENTATIVES: PLEASE FORWARD THIS DOCUMENT TO ALL YOUR PARTICIPANTS AND ENSURE THAT THEY HAVE READ IT. This representative must also keep a list of all players in attendance at each ice time in-case contact tracing is needed for AHS.

EVERY PERSON THAT ENTERS OUR FACILITY MUST DO THE COVID-19 SELF CHECK TEST.

<https://myhealth.alberta.ca/Journey/COVID-19/Pages/COVID-Self-Assessment.as-px>.

Anyone with symptoms of fever, new cough, worsening chronic cough, shortness of breath (new or worsening), difficulty breathing (new or worsening), runny nose, or sore throat is NOT PERMITTED in the arena and advised to immediately self-isolate. Anyone that has been in close contact with a confirmed case of COVID-19 within the past 14 days or anyone that has returned from travel outside of Canada in the past 14 days is NOT PERMITTED in the arena. It is advised that anyone experiencing symptoms of chills, painful swallowing, stuffy nose, headache, muscle or joint ache, feeling unwell, fatigue, or severe exhaustion, nausea, vomiting, diarrhea, unexplained loss of appetite, loss of sense of smell or taste or conjunctivitis (pink eye), stay home until symptoms resolve.

Crowfoot Minor Hockey Association and Arena expectations for guests while utilizing the facility.

Please follow the Crowfoot Minor Hockey Association and Arena Guidelines during your booking;

When entering and exiting the facility, please use the main doors, which are located at the North end of the facility. Go directly outside don't not stop and talk inside the facility.

Masks must currently be worn when entering the facility.

The maximum number of people allowed on the ice at any one time is 30. Each booking will be assigned 2 change rooms and one Stand will be made available (north /south); our dressing rooms can only accommodate **7 players per room and 5 per stand.** . People in the stands must stay in front of the caution tape and maintain physical distancing of at least 2 meters. Available seating will be marked with a grey X. **As the dressing rooms are now consider part of "Field of Play" if your group is a confirmed Cohort you may use the rooms as normal. This is only allowed if your group is a confirmed Cohort.**

If not the 7 per room rule stands in effect

Crowfoot Minor Hockey Association and Arena encourages all participants to come dressed in their hockey equipment. Do not allow participants to dress in the hallway. Two Coaches may use the referee's room to change. The Alternate dressing room will be made available for mixed sex groups. No additional space will be provided for changing. A supervisor should be monitoring youth in each change room and not allow any horseplay or roughhousing. Discuss with all participants prior to entering the facility that things have changed and if we want to continue this privilege it must be taken seriously to avoid additional restrictions or future facility shutdowns. **Organizers of any activity must make a record of all participants/coaches/sport officials/supervisors/care or respite workers for each activity. A copy of the list of participants must be emailed to cfarena@shaw.ca immediately after your ice time.**

Crowfoot Minor Hockey Association and Arena encourages parents to drop off/pick up their children and do not enter the facility. **If a player needs help getting ready for his or her ice time a parent may enter, but no spectators will be allowed in the building. You must exit the building immediately after helping your child.** Where possible please try to have someone who will be going on the ice (coach, booking representative, older player) work to help those participants who may need it. Program supervisors should be at the arena entrance instructing participants where to go and keep an accurate count of the number of participants in each change room.

The front doors will be locked until 15 minute prior to your booking. **Please do not try to enter the facility earlier than 20 minutes prior to the booking. If this rule is not honored, the ice booking will be**

immediately cancelled without refund or rescheduling. We have implemented 15 minutes between bookings for flood time. Our staff will sanitize the facility during bookings. When you enter the facility, go to your assigned dressing rooms and get ready. You can then proceed to the player's boxes. **Please keep physical distancing (two metres) between groups exiting and as you head to the ice.** After your ice time, you will have 20 minutes to vacate the facility. Showers and toilets in the dressing room are locked down; the public washrooms are open with 1 stall only. Dressing room keys will not be provided so if you are concerned please leave valuables at home or bring them to the bench .

No spitting is permitted anywhere in the facility. If you or your users are seen spitting your future rentals will be revoked without refund.

There is no lost and found so ensure all possessions are taken with you when you leave or they will be disposed of

First aid response will be up to the user group with the exception of the need of AED use. So please ensure that you have a first aid kit.

Our vending machines and drinking fountains will not be operational. All Participants should bring a prefilled bottle that should not be shared.

Coaches/team representatives are responsible for sanitizing their own equipment (i.e. pucks, pylons etc.). We will not be providing pucks. They are also responsible for ensuring that participants are adhering to physical distancing requirements when not on the ice. Anyone that is found to be not following the posted rules will be asked to leave the facility immediately. Please don't let one bad apple spoil it for every other user group. Please remember that if we get shut down because of one group not following the rules it affects all of our users. This is very important, as AHS will be monitoring facilities for compliance.
